Installation/configuration notes

Mounting Considerations

The back box is intended for flush mounting on drop ceilings. The maximum thickness of the drop ceiling material is 1.26 in. (32 cm) and the height above the ceiling should be at least 4.3 in. (11 cm) or, if using conduit, 6 in. (15 cm). The minimum installation distance from lamps is 1.6 ft (0.5 m).

Electrical Considerations

The maximum diameter of electrical cable is 0.55 in. (1.4 cm).

Technical specifications

Mechanical

Dimensions (diameter x depth)	5.5 in. x 4.1 in. (140 mm x 104.2 mm)
