

Eaton BSPH3600YPV

Catalog Number: BSPH3600YPV

Eaton Cooper Power series stud, 600 Vdc 3 Pole Y Configuration SPD

General specifications

Product Name	Catalog Number
Eaton Bussmann series BSPM series surge arrestor	BSPH3600YPV
	UPC
	051712293945
Product Length/Depth	Product Height
3.9 in	2.3 in
Product Width	Product Weight
3 in	.1 lb
Compliances	Certifications
CE Marked RoHS Compliant	UL Recognized

Product specifications

Special features

Technology type hybrid

Type

Modular, without remote signaling contact

Service response time

25 ns

Class

Class gG/gL

Operating temperature

-40 to 80 °C

Material

Thermoplastic

Mounting Method

35 mm DIN rail

Voltage rating

600 Vdc

Application

Photovoltaic systems

Nominal Discharge Current

20 kA
